DAY 3

ITINERARY

- breakfast
- transfer to the South, to Zalipie historical village
- dinner
- hand painting Workshops - you will have a chance to learn the traditional ornament hand painting techniques
- sightseeing the Zalipie Heritage Park
- bus transfer to Cracow
- Hotel Check-in

OUR TIPS

ZALIPIE is one of the most impressive traditional Heritage Park in Poland. It presents unique art of house painting. Its origins reach back to the early 19th century when a 10 year old girl Felicja Cyrułowa decided to paint her house with colorful flowers. Its beauty spread through the village quickly, so that soon it became the landmark of the region. To commemorate the little artist, one of the huts had been baptized with her name and a small museum had been established inside.

DAY 4

ITINERARY

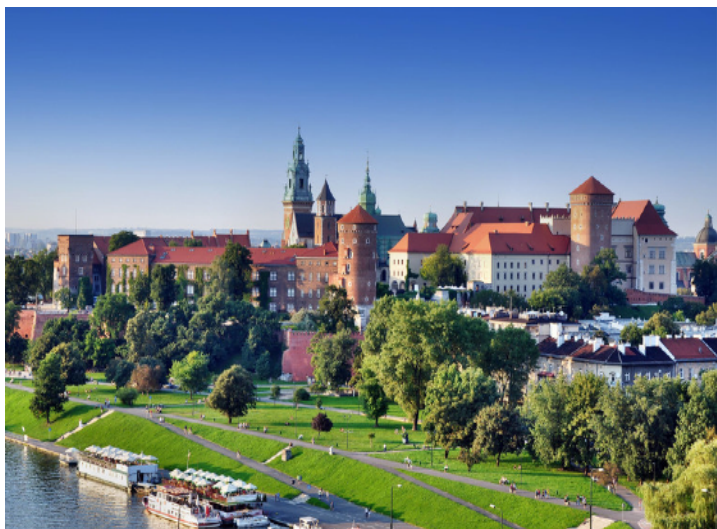

- breakfast
- guided Cracow City Tour (Wawel Royal Castle, St. Mary Basilica, Cloth Hall (Sukiennice), Wawel Cathedral, Dragon's Cave, Jewish District)
- dinner
- Wieliczka Salt Mine
- Accomodation in the Mine Hotel - 410 ft. under the ground surface.
- supper
- evening special (optional)

OUR TIPS

CRACOW is a former capital of Poland. Founded back in the early medieval times, survived with its ancient beauty and splendor to the modern times. Its monuments are abundant. Unique in Europe, well preserved and exposed. Cracow is also considered a cultural capital of Poland, from where the best artists, actors and performers derive.

WIELICZKA SALT MINE is an absolutely outstanding and unique place. Over 700 years old mine is preserved in a perfect condition. On the rout you will have to climb 800 steps down to the 20 halls located 410ft deep. Make sure you are well equipped. Comfortable shoes are good idea.

DAY 5

ITINERARY

- breakfast
- bus transfer to the Silesia Region
- guided tour on the medieval Książ Castle
- dinner
- accommodation in the beautiful family run guest house
- relax in the garden
- supper outdoor at the campfire with a tasty presentation of polish beekeeping traditions (honey, drinkable alcohol honey, wax items - all available to taste and purchase as a souvenir
- night tour at Czocha Castle (with torches)

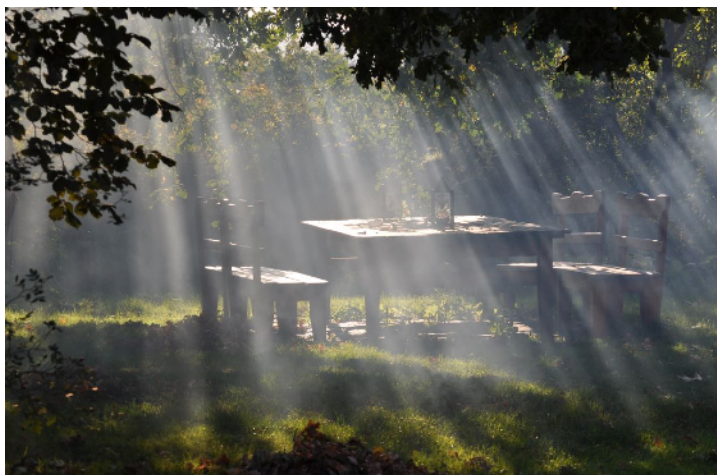

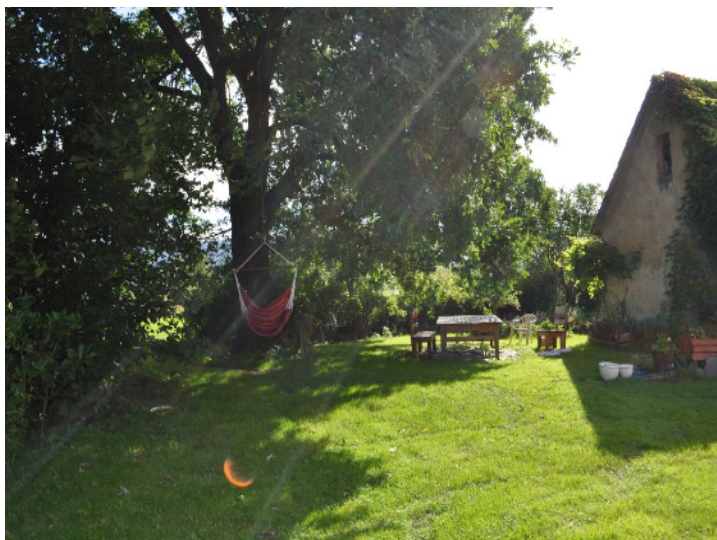

OUR TIPS

This day has a bit relaxing itinerary. You will have a chance to see two wonderful medieval castles which are pearls among the stones in this part of Europe. Książ Castle - the mightiest in this region has had a mysterious history. Being a medieval fortress, a palace of the oligarchs and Nazi German keep, with miles of underground fortified tunnels.

Czocha castle is smaller but its night torches tour is thrilling!

Hopefully, to restore powers, You will have a rest at the wonderful garden, tasting delicious traditional Polish cuisine and drinks.

DAY 8

ITINERARY

- breakfast
- relax and chill out at the seaside.
- optional visit at the Viking Burgh in Sopot
- dinner
- depending on Your further plans - transfer to the airport/train station

OUR TIPS

This is the last day of our Adventure. We highly recommend to spend it at the seaside or walking the tourist district, getting souvenirs and chilling out.

For those who still wish to gain more knowledge about Poland, we recommend visiting the Viking Burgh in Sopot or Gdynia's harbor where some old historical ships are docked and wonderful fried Baltic fish are served.

There is a historical wooden pier in Sopot, recently extended to marina, available to visit with a small fee.
